Professor Salyer has informed me that our department rules about Econ. 299 have changed and asked me to notify you about this:

New policy for ECN 299:

For all other students (3rd year and beyond): For Fall and Spring quarters (when the seminar requirement is in effect), ****only the faculty in charge of the seminars can be designated as ECN 299 instructors. In Winter quarters only (when the seminar series give way to recruiting seminars), **third year and beyond students** can sign up with an instructor of their choice for ECN 299.
